The following is a book review by Stephen Burns. I spent \$150 on Wall Street: The Other Las Vegas to buy it used before this new version was published, and I have zero regrets about paying a premium to own this book. After reading over 150 books on stock trading and studying many of the greats, in my opinion Nicolas Darvas is one of the greatest stock traders there ever was.

If you win in stocks, it's more luck than skill. They point out that most successful speculators on Wall Street are also good at playing games such as poker or bridge. In response, I point out that there's the big difference between Wall Street and Las Vegas. In gambling, the longer you play, the more likely you will lose money.
