David Berman, poet, teacher and musician, published this poem in 1999 in the book Actual Air. Snow has become the most popular poem from this collection and is regularly featured in school curriculum, holding a fascination for students. What is striking about this poem is the contrast between reality and fiction; the everyday against the universal. The older brother's off-hand, almost sinister ...

The days of Chris Berman, Dan Patrick, and Stewart Scott were a lot of fun but those days are gone. Now I have to know what every espn broadcasters politics are and oh, by the way, they're all the same. I've been over espn for years now but this year has put the nail in the coffin for me. The nba and espn are the blind leading the blind and they pushed me, a one time loyal watcher, out the ...
