LCD screens behind the Bar play looped videos which offer tips to customers waiting for help. Stools can be found in front of the Bar for people to sit and chat with each other or with employees. The "Red Telephone" sometimes seen behind the Genius Bar was a direct line to Apple product specialists, allowing for problems and questions too complicated for the in-store employees to answer. As of ...

Next time you see Jony Ive, tell him that it was his fault that I had to work in a hellhole when Apple told me that our team were "guinea pigs" for the new spaceship building. That was all his work. They took my office away and replaced it with a panopticon prison-style environment where everything was glass, with no curtains for the external windows, a black globe surveillance camera right ...
