Seasonings: Cajun food and culture has little to do with the mass media hype of the past 20 years that presents Cajun cookery as fiery hot, and Cajun people as hot pepper-eating, beer-swilling caricatures of themselves. Pepper and spices are merely one element of Cajun cookery and not the most important one at that.

Tho I love vegan food. I'd highly recommend this book if you want to eat simple, healthy, plant based recipies, whether you're veggie, vegan or just looking to go meat free now and then as a healthy alternative. Theres also a very useful section about store cupboard basics and a good section about which foods contain which vitamins, protein etc which is very interesting. Will definitely be ...
