*Windmills of the Gods is a 1987 thriller novel by American writer Sidney Sheldon. Plot summary. Mary Ashley, a professor at Kansas State University, is offered an ambassadorship by Paul Ellison, the US president. She rejects the offer because her husband, Dr. Edward Ashley, does not want to leave his medical practice, and she is not willing to be separated from him. She also feels that it is harder to find a good doctor for a small*
